GUGGILLA VENKATA REDDY

Electronics and Communication Engineering Graduate (B.Tech)

Phone: 9494087903 | Email: venkatareddy2103@gmail.com

LinkedIn: linkedin.com/in/venkatareddy-guggilla-b154182b6

PROFESSIONAL SUMMARY

Motivated ECE graduate strong in Python, Web Development and Problem-Solving... looking for job opportunities to apply my skills.

EDUCATION

Bachelor of Technology (B.Tech), Electronics and Communication Engineering | CGPA: 7.5

Anantha Lakshmi Institute of Technology and Sciences, Andhra Pradesh

Intermediate (MPC) | 85.2%

Sri Vivekananda Educational Institution

TECHNICAL SKILLS

Programming Languages: C, Python, Java (Basics)

Software and Tools: Microsoft Excel, Microsoft Office, MATLAB (Onramp), Arduino

Core ECE Subjects: Digital Electronics, Analog Electronics, Semiconductor Devices, Microprocessors and Microcontrollers

Networking: Networking Basics (Cisco)

ACADEMIC PROJECTS

Alcohol Detection-Based Engine Locking System | Arduino

- Developed an Arduino-based system using an MQ-3 sensor to detect alcohol levels in a driver's breath.
- Programmed the system to automatically disable engine activation when the detected alcohol level exceeds a predefined threshold.

Student Marks Analyzer using Python

- Developed a Python program to calculate totals, averages, and grades from student data.
- Used functions, loops, and conditional statements; organized results in Microsoft Excel.

CERTIFICATIONS

NPTEL - Online Certification
Google - Digital Skills
AICTE - Skill Development
EduSkills - Virtual Internship
Coursera - Online Course

CORE STRENGTHS

Analytical Thinking, Problem Solving, Communication Skills, Team Collaboration, Attention to Detail

LANGUAGES

Telugu, English

ADDITIONAL INFORMATION

Open to entry-level opportunities in software, embedded systems, electronics, networking, and related technical roles
